

TASTE AND TOUR

A day at Distilleria Bottega: a fun tasting experience in a warm environment

At **Distilleria Bottega** you will have the opportunity to visit a family-owned, world-renowned winery and distillery and to talk personally to the owner and the winemaker. The winery personnel will guide you through the vineyards and will help you to understand and analyze the wine's and grappa's color, texture, taste and aroma. You can also spend part of day investigating some of the local historical treasures, such as the charming Palladian Villas, shopping in the classy Treviso or visiting the most romantic city on earth: Venice.

VISIT TO THE WINERY: VILLA ROSINA

We are based in Bibano di Godega, 27 miles from Venice and a short drive from Conegliano Veneto, the capital of Prosecco and the heart of the tradition of grappa. Our premises are located in a large 19th Century manor house (*Villa Rosina*), restored and refurbished according to the most modern environmentally friendly criteria and surrounded by 10 hectares of vineyards.

THE TASTING ROOM

You will taste our wines in a cozy room with a traditional 19th Century fireplace.

THE MUSEUM “ART IN GRAPPA”

In the Bottega’s Museum you will have the opportunity to see our wine and grappa bottles and the Alexander glass blown bottles that have won many international awards.

THE GLASS BLOWING FACILITY

You will explore our state of the art glassblowing facility, where you can see our artisans create our award-winning Murano glass bottle, made according to the Venetian glassblowing tradition.

THE DISTILLERY

You will visit our distillery, where our famous Alexander grappa is created. Despite the technological progress, distillation is still a ritual and a poetical process and for this reason the distillation master is considered the alchemist of modern times.
